 AC5112 Sack Fruit-Bronze
 3"L x 2.5"W x 4.25"H

A collection of fantastic fruits, ripened in the imagination and sculpted by hand. Each is cast in bronze using the fine art lost wax technique. All are objet d'arte that function as boxes for treasured items, potpourri, or for whatever you desire. A collection of fantastic fruits that do not exist in nature, only the imagination.
