

# 861 REFERENCE DIGITAL SURROUND SOUND CONTROLLER ULTIMATE PERFORMANCE AND FLEXIBILITY

The most advanced example of our ground-breaking DSP control and processing system for the very highest-quality audio performance. Featuring Meridian's patented filter, which upsamples standard resolution sources to high-resolution, the 861 also adds extensive connectivity to a system. Its modular approach delivers complete isolation between analogue and digital signals for world-leading performance.

## THE 861 AT A GLANCE

A 7.1 Surround Controller with class leading audio fidelity - Meridian Room Correction for perfect sound in any room.

Unique Meridian High Resolution up-sampling to offer the best possible performance from all of your sources.

Optional Meridian Sooloos endpoint built in to create the ultimate surround controller playback zone.

Re-clocking of the digital audio signal to remove timing errors for superior clarity and resolution.

A Linear Power Supply ensures superb performance on both analogue and digital systems.

Control 4 and Crestron control options plus RS232 and Meridian Comms.

Multiple outputs which enable the creation of both passive and DSP based systems from the same Surround Controller.

Multiple installation applications in home and commercial environments enabled by Meridian's unique Design and Specification Service.

# SOOLOOS: ALL MUSIC. ALL THE TIME.

Meridian's award-winning Sooloos delivers pristine lossless audio quality with an extremely intuitive user interface.

It automatically discovers and integrates with your client's network for instant installation. Sooloos is a modular, expandable system designed to suit your needs.

## MERIDIAN SOOLOOS AT A GLANCE

### FOCUS

Allows you to move away from text based searching forever. Choose from genres, moods, decades, resolution quality and more to find exactly what you want to listen to.

### SWIM

When your queued music comes to an end, Swim will keep the party going. Unique to Sooloos, this is the most sophisticated way to randomise your favourite music.

### BROWSE

Effortlessly browse by artist, release date, TuneIn Radio stations or import date using the stunning free iPad or Touch PC interfaces.

### EXPLORE

Sooloos offers myriad ways to navigate 30,000 album capacity. Browse by genre, tags, decade, mood, words or ideas. Explore makes it simple to find what you want to hear.

### STREAM

Add millions of songs to your collection with major music subscription services, like Tidal, and simply add any music you like to your collection to listen to them time and time again.

### TUNE IN

Internet Radio offers a vast catalogue of music, entertainment and information from around the world. Find stations and listen easily and reliably thanks to the integrated TuneIn™ directory.

### STREAMING

TIDAL, Napster  
& Rhapsody

### CD LIBRARY

Easy to input & catalogue  
over 30,000 CDs

### DOWNLOAD LIBRARY

MP3, Flac & Wav

### INTERNET RADIO
